

Our Party Vision

Our Vision ***Chairman Debra Lamm***

Our Party is a grassroots political organization. We are built from the bottom-up. The root of our success is listening to the people on the ground in our local communities all across Montana. To successfully lead this party, we need to listen and hear directly from you. The people are the backbone of the Montana Republican Party and we are here to serve you.

Look at what we accomplished together over the last several elections: We re-captured a Senate seat held by Democrats for over 100 years, elected strong Republican candidates to four out of the five statewide Land Board seats for the first time since 1928, and most recently kept our U.S. House seat in Republican hands in the Special Election. We achieved this level of success because of your commitment and support to the Party. Thank you for your part in leading us to victory.

But, our job isn't done. We plan to turn Montana into a

solid Republican state by 2020. Now is the time to put the infrastructure in place to defeat Senator Tester in 2018 and re-take the Governor's seat in 2020. We are counting on you to once again help us cross the finish line. I look forward to the day when we can each say we did our part working together to elect strong conservative leaders, who are guided by the Constitution, to all our statewide and federal offices.

If you would like to be more involved and help us achieve this goal please feel free to contact me at chairman@mtgop.org. I am happy to discuss how you can be a part of this winning team. If you are in a position to make a donation to the Party, we would appreciate your support. Your investment today will help us build the infrastructure to win next year and in the years ahead.

I look forward to working together with you to achieve these victories. We have an incredible opportunity ahead of us and with your support, I see an even brighter future for the MTGOP and Montana!

God bless,

Debra Lamm
Chairman
Montana Republican Party
